Request for Proposal

Land Surveying and Consulting Required for Mitigation of Reported Range Design Deficiencies

The Port Coquitlam & District Hunting & Fishing Club (PCDHFC) is seeking proposals to conduct a full survey to confirm the existing conditions of Range 1, 3, 7 & 10. Included in the scope of work:

- Review of the report from the Chief Firearms Officer dated December 6th 2019.
- Review of the *Range Design and Construction Guidelines*.
- Completing a full survey of Ranges 1, 3, 7 & 10 to confirm existing conditions.
- Interpretation of Chief Firearm Officer's conclusions with *Range Design and Construction Guidelines* to confirm any reported deficiencies with range design.
- Layout of new backstop heights and locations of baffles as required to meet the *Range Design and Construction Guidelines*.
- Sign-off of all land surveys to be completed by a **British Columbian Land Surveyor**.

Work is scheduled to begin upon approval of proposal by the PCDHFC Trustees, within the first quarter of 2020.

Due Date of RFP: January 31st, 2020
